WRIT PETITION No.1127 of 2006

–

O R D E R:

The Bharat Petroleum Corporation Limited, Hyderabad, second respondent herein, issued a notification, dated 09-11-2005, inviting applications for establishing an outlet at LPG Plant, Kurnool. It is restricted to Scheduled Caste candidates alone. The petitioner submitted an application within the stipulated time. He filed this writ petition apprehending that his application may not be considered by the respondents on the ground that the location was described as Kurnool, though the words "LPG Plant" were described at a different place in the application.

Heard the learned counsel for the petitioner and learned Standing Counsel appearing for the respondents.

The petitioner apprehended that the application may not be considered by the respondents, because of the reason that the location is not properly described. This apprehension is unfounded, in view of the averments made by the respondents in the counter-affidavit. It has been stated that notwithstanding the defect in description of the location, the application of the petitioner has been considered and it is being processed, along with other applications. In that view of the matter, the grievance of the petitioner stands redressed and nothing remains to be decided in the writ petition.

The writ petition is accordingly closed. There shall be no order as to costs.
